The greatest Marvel super hero of all celebrates his 600th issue with the biggest all-original issue of Amazing Spider-Man EVER! This one's got it all! The return of Doctor Octopus, Daredevil, a wedding you never predicted, and the return of one of the most important people in Peter Parker's life in a giant-sized issue. Doc's back in town, but it's only a prelude to darker days ahead as Spidey unknowingly prepares for a gauntlet he can't even see coming.

On top of all that, witness the return of one of Spider-man's creators, Smilin' Stan Lee as he presents a story of unbridled passion, drama and angst as Spidey reflects over his many, many years of adventures.

But that ain't all...as the rest of the Spidey Web-Heads bring you several short features showcasing some rarely explored aspects of both Spidey and Pete's life, drawn by some of the greatest artists in comics. Plus, several other surprises! Written by Stan Lee and others. Interior art drawn by John Romita Jr and others. Cover by John Romita Sr.

This book will be signed on the cover by both legendary writer and comic book industry extraordinaire, STAN "THE MAN" LEE, as well as signed and REMARKED by legendary artist JOHN ROMITA SR. We will also be adding current artist JOHN ROMITA JR.
